

ANRF Programmes Portfolio for Potential Funding

Anusandhan National Research Foundation

Contributions through the ANRF donation portal are made to one of the three programme categories below. A contributor chooses a category; there is no need to choose a specific programme. The programmes listed under each category are for reference.

1. Any programme (ANRF general pool)

ANRF allocates your contribution at its discretion to any of its programmes.

2. ANRF Vertical Programmes

Directed research that turns bold ideas into real-world impact through national, sector-oriented missions and industry partnerships (e.g. MAHA, ATRI, PAIR).

- 1 Mission for Advancement in High-impact Areas (EV-Mission)
- 2 ANRF MAHA Water Program
- 3 ANRF MAHA Drones Program
- 4 MAHA MedTech Mission
- 5 ANRF Translational Research And Innovation (ATRI)
- 6 Partnerships for Accelerated Innovation and Research (PAIR)
- 7 ANRF Catalytic Partnership Program
- 8 ANRF Leapfrog Demonstrators Program
- 9 Critical Raw Material Research
- 10 AI for Science and Engineering
- 11 2D Innovation Hub
- 12 Convergence Research Centres of Excellence (CoE)
- 13 Centre of Excellence for STI INDICATORS (COE-STIIA)

3. ANRF Horizontal Programmes

Open-ended, foundational research that builds the deep science for tomorrow's breakthroughs (e.g. fellowships and grants).

Grants

- 1 Advanced Research Grant (ARG)
- 2 Prime Minister Early Career Research Grant (PM ECRG)
- 3 Inclusivity Research Grant (IRG)
- 4 J. C. Bose Grant
- 5 ARG-MATRICES

Fellowships and chairs

- 6 Ramanujan Fellowship
- 7 National Post Doctoral Fellowship (N-PDF)
- 8 Prime Minister Professorship
- 9 National Science Chair

Other support

- 10 International Travel Support (ITS)
- 11 Seminar/Symposia

Note: Refer to the ANRF website for details of each programme: anrf.gov.in
